

The word for February: WOW

Exciting times on Preston Street, make sure a visit to Big Easy's is on your calendar.

It is great to see so many enjoying lunch Monday through Friday. Just a reminder everything is also available for take out if you are stuck in the office.

Mardi Gras is an experience you shouldn't miss. We are celebrating with great food, special beverages and a Tarot card reader from Feb 10th to the 12th. Our mystical physic will be in residence from 7:30 til 9:30 each evening.

Tuesday the 16th is our Fat Tuesday party. Remember the line "Laissez les bon temps rouler" or "let the good times roll". Come early, right after work, experience some extra special creole creations and bayou libations. Carolyn our mystical physic will arrive at 7:30 for readings and we will have some great music.

Valentines is going to be a weekend experience, Friday, Saturday and Sunday. Chef Darrin Bruck has an incredible Prix-Fixe Menu. An absolute culinary delight. Get that reservation made. We will open at 4 pm on Sunday the 14th.

And let us not forget Winterlude. Enjoy a great dining experience with our special Taste of Winterlude menu or one of our fantastic certified angus steaks, cooked perfectly.

WOW, we sure look forward to seeing you soon, take care
